

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

MONTANA

Montana Department of Environmental Quality

REBATES AVAILABLE

Appliance rebates began May 24, 2010. Rebates may be offered for a limited time only. The rebate program will end when funds run out. Before making a purchase, confirm funding and requirements at www.MT.State-Rebate.com.

PRODUCT	REQUIREMENTS	AMOUNT
Clothes Washers	ENERGY STAR qualified.	\$100
Dishwashers	ENERGY STAR qualified.	\$50
Refrigerators	ENERGY STAR qualified.	\$100
Freezers	ENERGY STAR qualified.	\$70

HOW TO APPLY

Rebates will be issued to consumers who mail an application packet that includes proof of purchase of an eligible product. Consumers are required to recycle their old appliance by allowing the retailer to haul away the old appliance or the consumer may take the appliance to a recycling center, approved landfill or transfer station. Rebate applications must be submitted within 30 days of purchase. Rebates will be paid on a first-come, first-served basis. Rebates are not retroactive prior to the May 24, 2010 program launch date.

Additional information will be provided on the program sponsor Web site as it becomes available.

For more information: www.MT.State-Rebate.com

ELIGIBILITY

Consumer must be a resident of the State of Montana, and must replace older and less efficient appliance(s) in an existing home. Appliances must be purchased from retailers within Montana. Households (single addresses) are limited to two rebates and the rebates must be for different types of appliances. New construction projects are not eligible.
