

As part of the American Recovery and Reinvestment Act of 2009, the U.S. Department of Energy is providing funding to states and territories to support consumer rebate programs for ENERGY STAR qualified appliances. Under these programs, consumers can receive rebates to purchase energy-efficient appliances when they replace used appliances. Eligibility guidelines, covered products, and rebate amounts differ by state, so consumers should review program requirements carefully.

WYOMING

Wyoming Business Council

REBATES AVAILABLE

Rebates are scheduled to begin April 15, 2010. Rebates may be offered for a limited time only. The rebate program will end when funds run out. Before making a purchase, confirm funding and requirements at www.WyomingRebates.com.
